# Venue

## VISIT BUSAN !

Busan is a vibrant coastal metropolis where the sea meets the mountains, offering a harmonious blend of natural splendor, cultural richness, and modern urban life. As Korea’s second-largest city, it welcomes visitors with pristine beaches, renowned seafood, and dynamic festivals held throughout the year.

Located within the Busan Port International Passenger Terminal, BPEX (Busan Port International Exhibition & Convention Center) is a state-of-the-art exhibition and convention facility. It serves as a core venue of the Busan North Port Redevelopment Project, which aims to transform Busan Port into a global hub for marine tourism and culture.

### LOCATION

5th floor (Choryang-dong, Busan Port International Passenger Terminal),  
206, Chungjang-daero, Dong-gu, Busan, 48751, Republic of Korea

Phone: +82-51-400-1280 Fax: +82-51-400-1282 E-mail: bpex@bpfmc.or.kr

The Future of GI Endoscopy: “Connection, Innovation, Progress”

September 19 (Fri) -20 (Sat), 2025

BPEX, Busan, Korea

Busan Port International Exhibition & Convention Center

 Korean Society of  
Gastrointestinal Endoscopy

# Invitation

Dear Esteemed Colleagues,

We are delighted to extend our warmest invitation to you for the upcoming KSGE Days 2025, hosted by the Korean Society of Gastrointestinal Endoscopy. Building on the tremendous support and success from last year, we are thrilled to announce the return of this prestigious gathering, scheduled to take place on September 19-20, in BPEX(Busan Port International Exhibition & Convention Center), Korea.

The KSGE Days 2025 promises to be an enriching experience, featuring an array of engaging programs tailored to the dynamic field of gastrointestinal endoscopy. From insightful symposiums and captivating live demonstrations to interactive hands-on courses and innovative e-poster presentations, this event aims to provide a comprehensive platform for learning, collaboration, and professional advancement.

As we endeavor to expand the horizons of knowledge and practice in gastrointestinal endoscopy, we cordially invite you to join us and contribute to the vibrant exchange of ideas and expertise. Your participation will not only enrich the discussions but also inspire and empower fellow colleagues in their pursuit of excellence.

We are confident that KSGE Days 2025 will surpass expectations, offering valuable insights, networking opportunities, and memorable experiences for all attendees. Together, let us seize this unparalleled occasion to foster camaraderie, innovation, and progress in our shared mission to enhance patient care and outcomes.

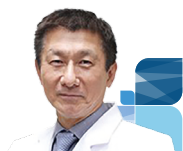

Mark your calendars and make plans to join us for what promises to be an unforgettable event. We hope all participants not only engage in enriching discussions and knowledge exchange but also immerse themselves in the essence of Korea's beautiful autumn and experience the vibrant and warm-hearted culture of the Busan region, where tradition and modernity harmoniously coexist.

We eagerly anticipate your presence and active participation at KSGE Days 2025, as we unite to shape the future of gastrointestinal endoscopy.

Warm regards,

**Jong-Jae Park**

President, Korean Society of  
Gastrointestinal Endoscopy

**Young Sook Park**

Congress Chairman,  
KSGE Days 2025

# Abstract Submission

 **Abstract Submission Deadline: July 31, 2025**

The KSGE Days 2025 Scientific Committee cordially invites abstract submissions for presentation during the scientific sessions of the conference. We welcome contributions that highlight the latest research findings, as well as challenging and intriguing cases from across the globe. This is a valuable opportunity to exchange knowledge, showcase innovation, and engage with peers in the field. Abstracts previously presented at other conferences are eligible for submission, provided they have not been published in a journal.

We look forward to your participation and contribution to the success of KSGE Days 2025.

**Abstracts should involve the following disciplines:**

Topic Categories		
▪ Upper GI tract	▪ NOTES	▪ Pediatric Endoscopy
▪ Lower GI tract	▪ New Methods and New Techniques	▪ Others
▪ Pancreatobiliary	▪ Sedation, Monitoring and Safety Issues	
▪ EUS	▪ Training
